- Excellent interpersonal skills
- Great leadership skills
- Ability to work independently with little or no supervision
- Honesty
- Proficient in the use of Microsoft office – Excel, Words, and PowerPoint
- Proficient in record and information management, documentation, and report writing.

### **EDUCATION**

**Federal University of Technology, Minna Niger State**

*2018 – 2024*

*B.Eng Civil Engineering*

Undergraduate Project: Comparative Study of the Strength Properties of River Gravels and Palm Kernel Shell

### **RESEARCH EXPERIENCE** (Jul 2024- Oct 2024)

- ***Undergraduate Thesis***  
Comparative Study of the Strength Properties of River Gravels and Palm Kernel Shell
  - Examined and compared the compressive strength and density properties of river gravel concrete and palm kernel shell concrete.
  - Analyzed the cost implications of using palm kernel shells compared to traditional river gravels to identify potential savings.
  - Evaluated the impact of utilizing palm kernel shells as a partial replacement for river gravels on the environment in terms of waste management and resource conservation for sustainability in construction.

**Supervisors:** Engr.Dr.A.Yusuf, Engr.O. John

### **WORK EXPERIENCE:**
